

Delta Variant: Rising Cases

Florida averages 3,380+ new COVID-19 cases per day as delta variant surges

CDC: Delta variant accounts for more than half of all US cases

TAMARAC VACCINE LOCATIONS

- CVS, 3915. W. Commercial Blvd. <https://www.cvs.com/immunizations/covid-19-vaccine>
- Publix in Midway Plaza, 5881 N. University Dr. <https://www.publix.com/covid-vaccine>
- Publix in Sunshine Plaza, 4121 W. Commercial Blvd. <https://www.publix.com/covid-vaccine>

What We Are Still Learning

- How well the vaccines protect people with weakened immune systems, including people who take medicines that suppress the immune system
- How long COVID-19 vaccines protect people
- How many people have to be vaccinated against COVID-19 before the population can be considered protected (population immunity)
- How effective the vaccines are against new variants of the virus that causes COVID-19
